## Painting A Brighter Future For Our Kids

### A Letter from the ERPTA President

Welcome Back students, parents, teachers, faculty and staff to the 2020-2021 school year! It feels like six years instead of six months since we were all last together. While our whole world has changed and things might look different, your PTA is still here for you and we look forward to helping to make this a safe and fun school year for all of us.

This is my first year as your newly elected PTA President. For the last two years I served on the PTA Board as Corresponding Secretary as well as McKenzie Rep and Bylaws Chair. Prior to that I was on the Nominating Committee. I have also volunteered at school events. My two boys go to McKenzie School and they are in Kindergarten and 3rd Grade.

Our PTA Board is not only amazing but we are also very diverse group. Please join me in extending a warm welcome to them as they are also new to their roles.

The year ahead may be a challenge, but know that we are all in this together because together we can make a difference. WERER!

Stay safe and well Wildcats!  
Wishing you all the best this school year,

Christine Green, ERPTA President
