East Rutherford PTA Pledge

Every year, with your support and the PTA's hard work we are able to provide your children with many activities and programs. We are not able to provide this without the volunteers and financial support from the families of our students. In addition to some fundraising, we are asking for families to pledge **\$20.00** to help cover some of the costs of these activities which helps to keep our children excited and engaged throughout the school year. We hope you join our efforts in making this a fantastic year for our children! **THANK YOU FOR YOUR SUPPORT!**
