East Rutherford PTA Pledge

Every year, with your support and the PTA's hard work we are able to provide your children with many activities and programs. Some of these are providing folders and educational activities such as the laser light show, sky dome and other enriching and fun activities. Last year we donated \$3,000 to our 2 schools (McKenzie and Faust) and raised an additional \$8,000 for students' social activities.

We are not able to provide this, however, without volunteers and financial support from the families of our students. This year, in addition to some fundraising, we are asking for families to pledge \$20 to help cover some costs of these activities for our children which keep them excited and engaged throughout the school year. Without volunteers and financial support from our families we are not able to provide any of these activities. Hope you join our efforts in making this a fantastic year for our children!

Please return the below form by September 21st in the attached envelope marked, "PTA" with cash or check made out to "East Rutherford PTA".

Thanking you in anticipation of your support.

Sincerely,
Jenine McGuire, Membership Chair
