Genesis – Parent Access Portal

September 2020

Dear Parents/Guardians,

You will be able to check your child's report card and school attendance via the internet through a program known as **Genesis**.

Parents of returning students, your login information is the same as last year.

Parents of new students should have received their Genesis login information via email.

Logging into Genesis is very simple:

1. Go the East Rutherford Schools website www.erboe.net
2. Under the "Parents" tab, choose "Genesis"
3. Enter your Email Address in the "Username" Field
4. Enter your Parent Access password in the "Password" field
5. Click the "login" button

The Parent Access Portal, provided by Genesis Education Services, is a safe, secure way of enabling you to access your own student's records using the Internet. The Parent Access User Manual can be found on the East Rutherford Schools website to guide you through all of the screens which may be available to you and how to use them.

If you have any questions, please contact the main office.

Sincerely,

Brian Barrow
Principal
