Dear Parents/Guardians,

Your child has a Math series called Go Math as well as Benchmark Literacy resources that he/she can access online to help reinforce their learning at home.

The Go Math site is [www.thinkcentral.com](http://www.thinkcentral.com)

The Benchmark Literacy site is <https://clever.com/in/mckenzie>

Your child's "User Name" will be his/her first initial and their last name in lower case letters. For example, Mary Smith will be **msmith**. There are certain students that have been given a different "User Name". This is due to the fact that there is more than one child with the same first initial and last name.

The "password" is **wildcats**.

If you have any questions regarding these sites, or are unable to log on, please speak to your child's teacher or call Becky Lavornia in the office at 201-531-1235 ext. 4003.

Respectfully,

Brian Barrow  
Principal
