Good afternoon Parents/Guardians,

The district will utilize a “Grab & Go” Model for breakfast and lunch. The district will continue to provide Grab and Go student meals on Monday for weekly consumption for all students that will be assigned to remote learning at McKenzie School, Faust School, and Pre-K Annex. A tent with a table will be set up between the school and the firehouse on Mondays & Wednesdays from 9:45am to 11:45am. A Maschio's employee will be there to serve the meals to the parents that will be coming by to pick up meals. If you would like to participate in the Grab & Go Meals please fill out this Google form survey for [Grab and Go Request for Remote Students](#).

Hybrid students will receive breakfast and lunch meals which will be distributed to the students as Grab & Go upon dismissal. We will be instructing the students not to share food or other personal items. We encourage you to please speak to your child about these practices. Students learning remotely for two days, Grab & Go meals will be provided for students on Wednesdays for both remote days (Thursdays & Fridays).

The meals that will be served to the students at McKenzie School from Monday to Wednesday & Monday to Friday at the Faust Pre-K Annex, This will be pre-packed as a complete Breakfast and a complete Lunch. If you would like to opt out of receiving these prepared meals, please complete this [Opt Out Google Form for Hybrid and Pre-K Students](#).

Please note that this Grab & Go Model for breakfast and lunch is part of the NJDOE guidance and our District's reopening plan. Please note that you will not be charged for the breakfast and lunch meals that will be sent home or picked up. Furthermore, it is important for all parents to apply for the New Jersey National School Breakfast and Lunch Program.

Please login into Genesis to complete a lunch application. All meal applications must be accessed through the Genesis System, we cannot accept paper copies. If you do not have access to the Genesis System, please contact Ms. White at rwhite@erboe.net and provide a valid email address to utilize the Genesis System. The meal application will then be filled out online and is available in many different languages by choosing so. Please see attached for instructions on how to complete the application.

If you have any questions for Mashcio's please visit our website or dial 973-340-5010 Ext. 2143.

Sincerely,

Brian Barrow
