

East Rutherford School District

All Children Can Succeed

EAST RUTHERFORD PUBLIC SCHOOLS 2021-2022 BOARD OF EDUCATION GOALS

Board of Education Goal #1 Curriculum, Instruction, Assessment and Standards

Continue to increase the Board's knowledge of curriculum, assessment and delivery of instruction in all subject areas in all schools and analyze the current curriculum changes, assessments and instruction methods to ensure the East Rutherford students are prepared for their next level of education. To follow up and support the Superintendent in his efforts to analyze, support and advance subgroup academics and assessment participation.

Board of Education Goal #2 School Construction & Renovation Projects

Upon the successful passage of the referendum, the board will oversee and support the Superintendent and designated staff on all related projects, budgets and timelines ensuring strong communication with the community stakeholders. Work collaboratively with the Municipality and vendors to ensure project success in all phases from development to completion.

Board of Education Goal #3 Special Education Program

Continue to increase the Board's awareness of district special education services and the scope, efficiency and cost of programs in this area, while still meeting the needs of the students. Support the superintendent in his goal to increase least restrictive environment settings and support student IEPs.

Board of Education Goal #4 Diversity and Equity

Support the superintendent in promoting educational equity assisting with the allocation of resources and opportunities for all students. Promote a safe and supportive learning and working environment for all students and staff.

Board of Education Goal #5 Communication and School Community Engagement

Educate members of the board on the technology used and advancements of communication technology to continue to provide widespread public engagement with parents, students and community. Continue to evaluate the parental needs of the ever changing educational process in a school year reliant upon virtual learning as a potential anchor of school success. Review communication changes between school district and East Rutherford emergency personnel to ensure that procedures are updated yearly in regards to school protocols.

Board of Education President

Superintendent of Schools
