Dear Parents/Guardians:

The East Rutherford School District and The Borough of East Rutherford continue to work together to ensure that all students and parents are safe while waiting to board the District's school buses, as well as ensure that community property near the bus stops are clean and free from vandalism.

We are asking all parents/guardians of students that ride a bus, to review our bus and bus stop safety rules with their child(ren). For the safety of your children and the respect for our community parks, Veterans' and Firemen's Memorials, and private property around each bus stop, we are asking for your cooperation to ensure your child is using the parks in a safe manner and are respecting our Veterans' and Firemen's Memorials.

I thank you for your time and appreciate your continued cooperation.

Sincerely,

Giovanni A. Giancaspro
Superintendent of Schools
