Dear Parents/Guardians of Faust School Students,

On January 18, 2018, Faust School experienced a number of pipe breaks causing school boilers to be turned off and Faust School students and staff were unable to attend school on January 18th.

In following state statute N.J.S.A.18A:7F-9, district schools need to be in session for a minimum of 180 school days. **Faust School only will be open on Friday, April 6th for a one-session day of school, during our scheduled week of spring break to make up this day.**

Sincerely,

Giovanni A. Giancaspro
Superintendent of Schools
