Dear Parents:

It has been five months since you first brought your children to school. Since then, we have seen many changes in them. We are truly glad to have all your children in our program. We are honored that you have allowed us to teach them and to contribute to the development of their character.

We are sending this letter to you because at last night's monthly Board of Education meeting, concerns were raised by residents regarding parents continually parking their vehicles along yellow curbs, thus, blocking residential driveways.

We know that more often than not, you do a wonderful job with following parking rules, as well as rules for drop off and pick up, however, please allow this letter to be a friendly reminder to **not** park along yellow curbed areas or block residential driveways. Please continue to utilize the designated drop off and pick up area assigned specifically for your convenience on Grove street.

Together we will continue to work with the Borough of East Rutherford and its residents who are vital community partners and key stake holders in our education community.

Thank you once again, for kind consideration and cooperation in this matter.

Sincerely,

Sharon King-Dobson M.A., M.A.
