Dear Parents/ Guardians:

**MARK YOUR CALENDARS:** All parents are invited to the Becton Regional JW Performing Arts Center on Tuesday, May 15th at 6 p.m. for a **FREE** presentation called "Trifecta Gateway" by Michale DeLeon.

This presentation is a unique approach to important topics, combining the Prescription Drug Abuse Epidemic with the exploding increases in heroin use/misuse as well as the pending push to legalize marijuana for recreational use. Coupling this with changing trends with synthetic drugs, e-cigarettes, vapors, and alcohol, this seminar educates its audience on how to better understand and prevent as well as stop the overdose and overdose death epidemic we are suffering from in our Country.

Parents will:

- \* Learn about the latest drug trends.
- \* Learn about the signs and symptoms to watch for.
- \* Be better equipped to speak with your children.
- \* Be given tips and advice as to how to better prevent drug and alcohol use from affecting your children.

We hope many of you can make this very important and informative presentation.

Sincerely,

Giovanni A. Giancaspro  
Superintendent of Schools
