All Pre-K 4 students must be potty-trained by the start of the school year. Any student who is not potty-trained will not be able to attend our program. It is our goal to embrace as many of East Rutherford's youngest learners into our Pre-K and Pre-K 4 programs; however we are committed to keeping class sizes at levels most appropriate to meet their needs. For this reason, we have a fixed number of seats available in each session. We utilize a fair registration system to all families interested in our Pre-K programs:

- At the time of registration, each registrant will select a random number from a jar and this will serve as your registration number. Please note, your place in line during registration does not affect your child's chances of entering the program.
- At the close of the registration period, all applications will be placed in numerical order according to the number selected
- Seats will be assigned according to these numbers and based on the selected program
- It is our hope that we can accommodate all students, and we will offer a "second" choice as an option on the registration packets
- Parents will be notified of their child's assignment no later than mid-April
- Should we have remaining seats following the close of registration, we will re-open registration

Please bring the completed registration pack (found on www.erboe.net under the McKenzie School Tab, "For Families"), along with required proofs of residency, your child's birth certificate or passport, custody documents (if applicable), and immunization records/physical.

Registration forms may be picked up from the school by appointment only.

Required documents for proof of residency are: a property deed, sewer or tax bill or rental lease. You will also need 1 bill from the following list: current utility bill, current phone bill or voter registration and 1 of the following: current financial account/bank statement, current paystub with address or current state agency document.
