Meal Applications for the 2021-2022 School Year

Welcome to the East Rutherford Public School District for the 2021 -2022 academic year!

All meal applications will be accessed through the Genesis Parent Portal, and doing so will provide each household confidentiality and a more efficient determination on their eligibility. All families can [click HERE](#) to access the portal directly and complete their application.

If you do not have access to the Genesis Parent Portal, you will need to contact the main office of your child's school and provide the office with a valid email to utilize the system. The meal application will then be available to be filled out online through Genesis, and it is available in many different languages by choosing so on the bottom left of the screen.

The meal applications are also located on our website at <https://www.erboe.net/domain/67> for reference purposes. Paper applications will no longer be sent home. A paper form meal application is available upon request only. Please DO NOT complete both the online and paper forms, as this may cause delays and errors with the processing of your application.

Thank you for your cooperation in this matter,

Giovanni A. Giancaspro
