

A Message from the PTA!

Parents, Teachers, and Staff,

I am thrilled to introduce myself as the new President of our East Rutherford PTA. It's an honor to have the opportunity to work alongside such a dedicated and passionate group of parents, teachers, and staff members. Together, we share a common goal: to support and enhance the educational experience of all our children.

It is with great gratitude that I acknowledge all the amazing activities, events, and initiatives our PTA has accomplished under the leadership of Ms. Christine Green and the PTA Board over the past several years. I am grateful for many of our former board members who have chosen to remain with us, and for the new members who have joined us in leadership roles.

This year, we will build on the strong foundation we've established, and introduce new events and programs that will further enrich our school environments. These new initiatives are designed to bring our school community closer together and to provide valuable resources for students, teachers, and parents.

The PTA can only thrive because of our community. Each one of you plays a crucial role in our success, whether through volunteering, attending meetings, or simply sharing your ideas and feedback. I am eager to hear your thoughts on how we can make PTA events and programs even more impactful. Whether you have been involved with the PTA for years or are just joining us, I encourage you to participate in whatever capacity you can.

Please don't hesitate to reach out to me with any questions, suggestions, or concerns. I believe that by working together, we can achieve great things for our school and our children.

Thank you for your trust and support. I look forward to a fantastic year ahead!

Warm regards,

Kevin Lyon

PTA President
