

# Becton Evolution Project

Paving the way for the future of education

## The BecTech Center for Adaptive Innovation & Creativity

- 25+ Academic Programs & Advanced Facilities -

### VOCATIONAL & TRADES

At Becton, we value our college and non-college bound learners. Our state-of-the-art, Becton Tech Vocational Building will create opportunities for Becton students that have never been possible before. Bringing back trades such as Electrical, Masonry, Plumbing, Automotive, HVAC, Green Construction, Welding, Carpentry and Woodwork, etc.

### ADVANCED TECH & MEDICAL SCIENCES

We want to take our STEM programs one step further with Advanced Tech - featuring Medical & Health Sciences, Engineering, Architecture, Agri-science, Virtual Design Construction and topping it off with a one-of-a-kind rooftop solar observatory. Cyber Security/Criminal Justice, Financial Management/Forensics, Macro & Microeconomics.

### VISUAL & PERFORMING ARTS

**Visual Arts:** Including Architecture, Virtual Design and 3D printing, Interior Design, Fashion Design and Animation. **Performing Arts:** More than just extracurricular! Brand new classes dedicated to singing, acting and performing. **Culinary Arts:** A state-of-the-art, community dining hall style kitchen and Wildcat Cafe offering unique opportunities for Culinary, Baking and Pastry Arts.

### SPECIAL EDUCATION

**Life Skills Program:** Full-Scale Apartment, Therapy Rooms, De-Escalation rooms, Rooftop Sensory garden, OT, PT, Speech Therapy and much more. **Inclusive & Therapeutic Facilities:** In addition to our expanded classrooms and campus facilities, the expansion will finally allow Becton to fully support our special education students in their own community. An all-encompassing life skills program will aid the development of key skills through in-house job prep & inclusion programs.

# Becton Evolution Project

Paving the way for the future of education

## VETERANS MEMORIAL PATIO: HONORING OUR PAST

At Becton Regional High School, we understand that we cannot build toward a brighter future without celebrating and learning from our past. That's why we have made it a priority to honor all Becton Alumni who fearlessly and proudly served, and continue to serve, our great nation by cementing their legacy into our new Veterans Memorial Plaza.

## STATE-OF-THE-ART FACILITIES & COST SNAPSHOT
