Subject: Preschool Expansion: Next Steps for Our Community

Dear Parents/Guardians:

We are excited to announce that the East Rutherford School District's application for Preschool Education Aid (PEA) has been approved! This funding will enable us to offer a full-day preschool program for 38 general education preschool children starting in the 2024-2025 school year. To ensure a successful launch, we are currently focused on hiring staff, ordering furniture, and preparing the classroom environment. We have 75 days from today to complete these preparations, with the program scheduled to open no later than December 18, 2024. In the coming weeks, we will also hold a parent information session to share more details about the program and address any questions you may have.

We look forward to this exciting new chapter and will keep you updated on our progress.

Warm regards,

Giovanni A. Giancaspro

Superintendent of Schools
