Preschool Program Update

We appreciate your interest in our preschool program and the possibility of offering free preschool within our district.

The District will be submitting an application for the Preschool Expansion Aid on August 14, 2024. As we move forward, please be aware that we will not know the outcome of our application until Fall 2024. At this time, we do not have a specific date for when the results will be announced.

If the District is awarded the funding, we will notify parents promptly with all the necessary details regarding the program.

Thank you for your continued patience and support as we work through this important process.
