April 2, 2020

Good afternoon Parents/Guardians,

Hoping my communication finds you all doing well during this challenging time. I am so appreciative of the efforts of our students, parents/guardians, educators, staff, and administrators in the East Rutherford School District. The third marking period will be ending tomorrow, Friday, April 2<sup>nd</sup> as we continue to adapt to the remote learning situation/challenge of the COVID-19 pandemic.

The electronic distribution of report cards to parents/guardians will take place on Friday, April 24<sup>th</sup>. This delay is to afford staff members adequate time to post grades to report cards. All third marking period grades will be calculated up until the last day in which students were physically in our schools, which was on Friday, March 13<sup>th</sup>.

The District is currently discussing 4<sup>th</sup> Marking period grading, which will be reflective of our remote learning platforms. More information to follow in the near future.

Also important to note, the East Rutherford School District will continue to service free and reduced meals for eligible students/families on Monday, April 13<sup>th</sup> during spring break.

Wishing you and your families good health during this time! Our Wildcat Community is second to NONE! We will get through this TOGETHER!

Sincerely,

Giovanni A. Giancaspro  
Superintendent of Schools
