Good evening,

The East Rutherford School District will continue to prepare breakfast and lunch meals for students that are eligible for free and reduced meals and will be serving them from the Faust School, Paterson Avenue parking lot.

As of Monday, March 23rd, we have arranged for Maschio's Food Service to prepare and serve all 5 days of breakfast and lunch meals to be picked up on Mondays only from 11:00am – 1:00pm until schools reopen. This will assist with the social distancing and self-quarantine guidelines that are in place.

If you have not picked up breakfast and lunch meals last week and plan on coming to the Faust School, Paterson Avenue parking lot for the first time this week, please email us this evening at laugustin@erboe.net, so we can properly prepare an accurate meal count.

Thank you and Be well!
