Picture packages can be ordered online prior to Picture Day using the below links.

**McKenzie** — <https://order.bnlschoolpictures.com/api/v2/keys/lookup/bnl?key=4D6Y3Z5Q>

If a parent/guardian doesn't place an order before picture day, the student will receive a Last Chance card with a thumbnail sample image. This will be delivered to the school with the pre-paid picture packages approximately 3 weeks after the pictures. At that time the parent can order the pictures but please note they won't have the pre-pay prices or packages available at that time.

If you are unable to have your child's picture taken on the designated day and time above, please contact Ms. Velez at 201-531-1235 or [cvelez@erboe.net](mailto:cvelez@erboe.net) for an alternate date and time.

Please wear your face covering when entering McKenzie School. Social distancing guidelines will be adhered to once inside the building and a health/wellness waiver will need to be completed upon entry to the Gym doors off of New Street. Please note that if there is a remote or hybrid student that is on our Medical Clearance List, then the student is not able to enter the building. Please reach out to Nurse Saab at 201-531-1235 or [jsaab@erboe.net](mailto:jsaab@erboe.net).

Thank you for your patience and understanding, as we work together in a safe and positive way.
