All Pre-K 4 students must be potty-trained by the start of the school year. Any Pre-K 4 student who is not potty-trained will not be able to attend our program. It is our goal to embrace as many of East Rutherford's youngest learners into our Pre-K 3 and Pre-K 4 programs; however we are committed to keeping class sizes at levels most appropriate to meet their needs. For this reason, we have a fixed number of seats available in each session. All Pre-K 3 students moving to Pre-K 4 will be given top priority in securing a spot within the Pre-K 4 program. All current Pre-K 3 families will receive communication from the district to indicate your Pre-K 4 program of preference. We will make every effort to accommodate your preference. All other parents who are interested in securing a spot in the Pre-K 4 program will be selected based on a lottery system. All new Pre-K 3 registered students will be selected through our lottery system. Please see below the procedures for the District's lottery system:

- At the time of registration, each registrant will be entered into a system that will randomly select names.
- At the close of the registration period on Tuesday, March 30, 2021 at 8:30 AM, all applications will be placed in order according to the randomized name drawing.
- Seats will be assigned according to this drawing and based on the selected program.
- It is our hope that we can accommodate all students, and we will offer a "second" choice as an option during the online registration process.
- Parents will be notified of their child's assignment mid-April.
- Should we have remaining seats following the close of registration, we will reopen registration.

Please complete the online registration (found on [www.erboe.net](http://www.erboe.net) under the Registration Tab), and upload required proofs of residency, your child's birth certificate or passport, custody documents (if applicable), and immunization records/physical. Additional required forms can be found on our website and must be uploaded at this time (i.e. Home Language Survey, Authorization for Exchange of Confidential Information, etc.).

Required documents for proof of residency are: a property deed, sewer or tax bill or rental lease. You will also need one bill from the following list: current utility bill, current phone bill or voter registration and one of the following: current financial account/bank statement, current pay stub with address or current state agency document (Please note all statements and bills should be the current month with your current address of your submission of your registration).
