***BEFORE AND AFTER SCHOOL CARE***

Before school care is available through Meadowlands YMCA and is held at the McKenzie School facilities. After school care is available through the Meadowlands YMCA and is held at McKenzie School or at the Meadowlands YMCA facilities depending on enrollment. For any interested parents, please contact the [YMCA](#).

***VISITORS TO THE BUILDING***

If, for any reason you need to enter the building, you are recommended to call the office to set up an appointment first. When approaching the main entrance on New Street, you are required to report to the office first, speak to one of the secretaries via security intercom, once allowed into our secured area the guest must have a valid I.D. to utilize an online system to obtain a visitor's pass. No visitors are allowed between 2:45 and 3:06. When visiting a classroom or assisting with a scheduled school activity, parents are requested not to bring siblings or other children. Please read and review the [East Rutherford School District Entry Protocol](#) and [School Security Letter](#). Thank you in advance for your patience and cooperation.

## **ATTENDANCE AND ABSENCES**

Regular attendance and promptness is essential to maintaining academic growth. All students are expected to be in attendance on each day that school is in session. Pupils shall be subjected to the school district response for absences during the school year as outlined in N.J.A.C. 6A:16-7.8(a) 4 and Regulation 5200.

Should a student be absent or tardy for any reason, **please be sure that a parent calls the school** prior to the start of the school day. The number to call to report an absence is **201-531-1235 and press 1 to leave a message**. If a call is not made to the school, the secretary will call the parent. Homework requests for an absent child must be made to the school office no later than 9:00 A.M., and will be available for pickup with an appointment only. Students returning from an absence **must present a note to the school** with an explanation and signed by the parent, even if a telephone call has been made to the school explaining the absence. If the absence is greater than 3 days, a physician's note, citing the date(s) and reason for the absence, is also required.

Parents requesting their child be excused from school before the school day ends must send written verification in advance signifying the reason, time, and who will pick up the student. Justifiable reasons may include: medical or dental appointments that cannot be scheduled outside of school hours, medical disability, family emergency or a court appearance, as per Regulation 5230. Under no circumstances will any student be permitted to leave the school unless accompanied by an adult with proper identification and a valid written reason consistent with New Jersey School register. Students will only be released with the above and the approval of the school Principal.

### **LATENESS (Grades K – 3)**

Students are expected to arrive at school by 8:34 A.M. Students arriving after this time are considered tardy. If a student is late to school he/she **must enter the building with a parent** and report to the main office for a pass to class. Also, a note from home must accompany the student giving the reason. Tardiness to school or class that is caused by a pupil's illness, an emergency in the pupil's family, the observance of a religious holiday, a death in the pupil's family, or by the pupil's compliance with a request or directive of an administrator will be considered justified and is excused (Regulation 5240). All other incidents of tardiness will be considered unexcused. As per *Board Policy 5240 every 4 days tardy = 1 unexcused absence*.

### **Homework Philosophy**

Homework is carefully planned and tailored to the developmental level of students. It should be constructive in nature and directly related to the subject area. Students are expected to complete all homework assignments as assigned. Homework assignments:

- reinforce learning by providing additional practice and application
- provide review
- provide the opportunity to enrich experiences
- every 3 missed HW assignments = A parent communication from teacher
- foster responsibility, initiative, creativity, and the ability to work independently.

- Utilize your teacher's website to see homework assignments

### ***MAKE-UP WORK***

After an absence, it is the student's responsibility to obtain all work that was missed. The student will then have one day for each day missed to complete all missed assignments. Any work not made up that extends beyond the marking period will be treated as an incomplete assignment. Any work not made up within the proper time period will become a zero and factored into the marking period grade accordingly. Absence from school does not remove the student's responsibility in making up the required work or excuse them from any test or other grade that is necessary for the successful completion of their course of study.

### ***INTERIM PROGRESS AND REPORT CARD***

McKenzie School values communication with parents. Our interim progress and report card program provides for eight updates on your child's progress throughout the school year for grades 1-4. Parents are encouraged to carefully review the contents of these reports and to contact the teacher with any questions or concerns.

**Pre-K:** There will be two reports for each child. One is given at the midway point of the school year, and the final report will be sent home on the last day of school.

**Kindergarten:** Interim Progress Reports are provided during the 1<sup>st</sup> & 3<sup>rd</sup> marking periods. Report Cards are sent home at the end of the 2<sup>nd</sup> and 4<sup>th</sup> marking periods.

**Grades 1-3:** Report cards are issued at the end of each of the four (approximated 45 days) marking periods. In addition to the subject grades, there are marks given for effort and for behavior. Interim Progress Reports are sent at the midpoint of each marking period.

For all reports, all reports can be accessed through the Genesis Parent Access. If a parent would like a hard copy, they will need to request this hard copy to the main office.

## **PROMOTION AND RETENTION**

According to *Board Policy 5410*, standards for promotion are related to the New Jersey Student Learning Standards and district goals and objectives and to the accomplishments of pupils. A pupil will be promoted to the succeeding grade level when he/she has: completed current course requirements, achieved and met the current instructional objectives and standards, demonstrated the proficiencies required for movement to the next grade level, and demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade.

## **PARENT – TEACHER CONFERENCES**

Parents are encouraged to discuss concerns about their child with the teacher. Please call or send a note to school so the teacher may arrange a meeting. Formal conferences are offered twice a year in November and one in February. These appointments are prearranged by the classroom teacher with availability for evening appointments.

## **HEALTH RECORDS**

The school district must maintain mandated pupil health records for each student pursuant to N.J.A.C. 6A:16-2.4, *Board Regulation 5308*, and as defined by N.J.A.C. 6A:16-2.4(a) 1 and 2. Since the promotion and maintenance of the health of our students is one of our primary concerns and one that can greatly affect their academic work, the School Nurse requires any new medical information in order that we may keep this information current on the student's school records. We will notify you if any possible abnormalities are detected during our vision and hearing screenings.

## **PHYSICAL EXAMINATION**

In accordance with the medical program set by the *Board Regulation 5318* as per the New Jersey State Health Department, an annual physical is required upon enrollment into the school in accordance with NJAC 6A:16:2. This examination must be done no more than 365 days prior to entry and must state WHAT, if any, modifications are required for participation in any school activities.

Forms are available from the School Nurse to have your child's physical completed by their private medical doctor. Referrals will be provided, if your child does not have a private medical doctor.

You will have a 30 day grace period to obtain the required physical examination. Those students who have not complied within the 30 day grace period will not be allowed to return to school until the physical examination has been completed. An annual physical exam performed by your child's health care provider is recommended.

**Please see the district website for a summary of vaccine requirements and immunization requirements.**

## **MEDICATION**

As per *Board Regulation 5330*, parents are encouraged to administer medications to children at home whenever possible. When necessary, and in accordance with applicable law, medication will be administered to students in school by the School Nurse. Special medication forms are available from the School Nurse and must be completed and signed by the child's private medical doctor and the parents for all medications, including Prescription, Non-Prescription (including throat lozenges) and Asthma medication. All medication must be in the original container. Details are available from the School Nurse.

## **ASTHMA**

All students with Asthma must have an "Asthma Action Plan" completed by their doctor prior to starting school in accordance with N.J.S.A. 18A:40-12.8.

## **LIFE-THREATENING ALLERGIES**

The *Board of Education Policy 5331* recognizes pupils may have allergies to certain foods and other substances and may be at risk for anaphylaxis or other severe reactions. Therefore, policy 5331 has been developed in accordance with the Guidelines for the Management of Life-Threatening Food Allergies in Schools developed by the New Jersey Department of Education.

An Individualized Healthcare Plan (IHP) and an Individualized Emergency Healthcare Plan (IEHP) will be developed for each pupil at risk for a life-threatening allergic reaction. Please note that McKenzie School will continue to utilize peanut free tables during lunch time for the reduction of risk of food allergen exposure.

**It is essential that all allergies are reported in writing with proper documentation to the School Nurse and classroom teacher.**

## **INJURIES**

If your child has received an injury that resulted in the need for sutures, a splint, cast, sling, ace bandage or change in physical activity, you must provide the nurse with the physician's note specifying all limitations and care needed at school along with a date to resume normal activity. **Your child will be excluded from Physical Education and recess until a doctor's clearance is received.**

## **HOME INSTRUCTION**

Any child who is unable to attend school due to extended illness may be eligible for home instruction. Upon receipt of a signed slip from a doctor, a parent must contact the Superintendent and complete appropriate forms for approval by the East Rutherford Board of Education.

## **ILLNESS**

In the best interest of all children, and in order to prevent the spread of communicable illness, your child should not come to school if he/she feels ill or has had any of the following symptoms within the past 24 hours:

- Temperature over 100 degrees

- Vomiting – exclude 24 hours vomit free unless known to be non contagious (i.e. ate something that hurt their stomach)
- Chronic Coughing
- Inflamed and/or discharge from the eyes – clear discharge okay; excluded if yellow discharge and matted/crusty eyelids, medical note required, must be on treatment for 24 hours before returning to school
- Earache
- Chills
- Skin rash – excluded until rash resolved or medical note stating the rash is non-contagious
- Suspicion of scabies or head lice
- Diarrhea - return to school when 24 hours pass without loose stool
- Flu/Influenza Like Illness – such as fever, cough and sore throat should stay home until resolved

### ***INSURANCE***

Accidents are unfortunate occurrences but they do happen. Any kind of medical care today is costly; therefore, it is a good idea to have insurance in case of an accident. It is the policy of the East Rutherford Board of Education to provide insurance for all students in grades Pre-K through 4 while school is in session. Round-the-clock accident insurance for students is available through the school and is paid for by the parents. This type of insurance entitles the student to coverage for 24 hours per day. The exceptions in athletic activities are enumerated on the policy.

### ***TESTING AND ASSESSMENT PROGRAM***

Our testing program provides a measure of basic skills proficiency commonly found in both state and nationwide curricula and gives us specific information about the achievement and the instructional needs of our students. The following tests will be administered during the year:

- Northwest Evaluation Association (NWEA) Measures of Academic Progress /Grades K-4
- New Jersey Student Learning Assessment (NJSLA) / Grades 3

## ***CHILD STUDY TEAM***

The East Rutherford Child Study Team (CST) consists of a Director of Student Services, School Psychologists, a Learning Consultant and a School Social Worker. The Speech/Language Specialist, School Nurse, and the School Counselor also work in conjunction with the Child Study Team. The team has a number of responsibilities including consultation, identification, classification, and formulation of recommendations for remediation of learning and behavior problems. Team members also serve as Case Managers for students receiving special education and related services and work closely with both special education and regular education teachers to develop students' Individual Education Programs (IEP). The East Rutherford Child Study Team provides services for students with disabilities from ages three to grade eight. Child Study Team evaluations may include assessments by the School Psychologist, Learning Consultant, School Social Worker, Speech/Language Specialist, Occupational Therapist, Physical Therapist and other professionals. If the CST recommends classification and the parent agrees, there are several types of special education services available within the district. Special Education services are outlined in a student's IEP and are provided within the least restrictive environment

## ***SPEECH THERAPY***

The Speech Pathologist provides individual and group sessions on a regular basis for those children who have been identified as needing assistance in speech/language development.

## ***COUNSELING SERVICES***

The purpose of this program is to aid students in learning to make their own informed and responsible decisions. To contact our School Psychologist call: 201-531-1235 ext. 4005.

## ***INTERVENTION AND REFERRAL SERVICES***

The Intervention and Referral Services Team reviews the academic, behavior and health concerns of a student and then develops an Action Plan designed to systematically address any identified concerns. The interventions included in a student's Action Plan may include both in-school and out-of-school initiatives.

## ***AFTER SCHOOL ACADEMIC INTERVENTION PROGRAM***

Students in grades 1 - 3 who are identified as at risk and meet the criteria will be eligible to receive after school tutoring one time a week for Math and/or Reading. This program will run after school from 3:15 P.M. – 4:15 P.M. Busing will be provided for bus students only.

### ***BASIC SKILLS INSTRUCTION (BSI)***

Students are identified annually as needing Basic Skills Instruction in reading and/or mathematics if they meet the approved criteria (recommendation, achievement tests and classroom performance). The BSI class is a combination of a “replacement program” where the student is in a small instruction group, and additional support during classroom instruction.

### ***CYCLED ARTS PROGRAM***

McKenzie School offers art, Spanish, physical education, technology, and vocal music. All students will have a schedule that includes a combination of these classes. This will provide continuous blocks of instruction that will enhance the learning experience. In addition, at McKenzie School, additional computer time, writing instruction and recorder classes will be coordinated with the classroom teacher as part of an infused program.

### ***ENGLISH AS A SECOND LANGUAGE (ESL)***

The innovative high intensity ESL Program involves intensive instruction for students in learning the English language. This program allows students to rapidly acquire the English language as well as to adapt socially and culturally to their new environment.

### ***ENRICHMENT PROGRAM***

This program seeks to provide additional enrichment for those students who have been identified, using multiple measures, as students who would benefit from a more challenging experience.

Through direct instruction and independent learning, students are exposed to experiences beyond the scope of the regular curriculum. The program encourages students to pursue more rigorous content-based activities.

During the school year, continuation in this program is based upon a student’s current level of effort and teacher feedback. Students are reassessed annually. The Enrichment Program is a combination of infused opportunities for all students within their weekly schedule.

### ***FIELD TRIPS***

Field trips may be planned during the year. When a trip is planned, permission slips will be sent home and then must be signed by the parents and returned to school. Each student who attends a field trip must have parent/guardian permission. Children must travel to and from the field trip location with their group. Parents may be responsible for the costs of field trips.

Per *Board Regulation 5850*, a pupil who demonstrates disregard for school rules may be denied participation in class trips. Pupils who participate in approved class trips are subject to district rules for pupil conduct and must submit to the authority of assigned chaperones. Infractions of the rules will be subject to discipline in the same manner as are infractions of rules during the regular school program.

## ***POLICY ON PHYSICAL EDUCATION***

The safety of our students is a top priority at McKenzie School. In an attempt to insure the safety and well being of each and every child, requirements for Physical Education classes were developed. Please be aware of the following policy and refer to *Board Regulation 5511*.

Children must wear sneakers with a separate tongue. The sneakers can be laced, Velcro, elastic or a combination across the tongue. A sneaker with an arch support is recommended and must be secure on the child's feet. Please no cut-outs in the sneakers showing the child's socks. Children must also wear socks with their sneakers. White socks are recommended.

Children may not wear any type of jewelry in Physical Education class, i.e., stud earrings, large or looped earrings, bracelets, watches, rings, etc. Children who wear this type of jewelry to school and are unable to remove it will not be allowed to participate in Physical Education class or Field Day. Please do not send your child to school with jewelry on days when Physical Education class is held. We can accept a parental note for a one-day excuse from Physical Education participation, but the student must have a physician's statement for any lengthy period. We cannot accept the statement of any student to be excused from class. Please be aware that students excused from Physical Education will also refrain from recess until medical clearance is provided.

## ***PHYSICAL EDUCATION CLASS***

The curricular programs of physical education and activities complies with the district's affirmative action resolution. The classes are not divided on the basis of sex. Students will not change for Physical Education. Students are expected to come prepared for class and dressed appropriately (no skirts or dresses).

## ***LOUIS D. RAVETTINE MEDIA CENTER***

Our Media Center hosts a well-stocked school library, containing a wide range of materials on all levels of difficulty, appealing to diverse tastes, and presenting different points of view. Networked computers with a variety of software and online licensed resources are available for students and staff. The many books and reference materials provide a valuable resource for completing school assignments and enrichment projects. Classroom teachers will facilitate the library visits. Books can be taken out of the Media Center for a two-week period. Students are held responsible for any book they use or borrow. Proper behavior is required at all times.

## **TECHNOLOGY**

Technology is an integral part of the learning that goes on in our school. The students master the skills to use the software applications in their cycle classes. Those skills are then applied in the learning activities that are conducted in the classroom. Resources and teachers have been committed to using technology to improve learning, maximize productivity, and prepare students to be lifelong learners. The collaboration between our technology teacher and classroom teachers adds an air of excitement to our school which will translate into better research workers, better computer users, and better learners for our students. Through board action, there is a policy for using the computers at school. That policy is known as the Acceptable Use Policy. Students will be given a copy of the appropriate level policy and the agreement form is to be reviewed and acknowledged through our Genesis Parent Portal.

## **SOCIAL NETWORKS AND THE INTERNET**

McKenzie School recognizes that social networks and other technologies such as blogs and microblogs are elements of a developing Internet-based culture. In spite of their common use, insufficient federal or state regulation exists regarding the use and impact of social networks and similar Internet services. Their use is specifically banned at school, as stated in *Board Policy 5501*.

## **SCHOOL NUTRITION POLICY**

As indicated in *Board Regulation 8505*, the Board of Education recognizes child and adolescent obesity has reached epidemic levels in the United States and that poor diet combined with the lack of physical activity negatively impacts on the pupils' health and their ability and motivation to learn. The Board is committed to: providing pupils with healthy and nutritious foods; encouraging the consumption of fresh fruits and vegetables, low fat milk and whole grains; supporting healthy eating through nutrition education; encouraging pupils to select and consume all components of the school meal; and providing pupils with the opportunity to engage in daily physical activity. The school district's curriculum shall incorporate nutrition education and physical activity consistent with the New Jersey Department of Education Core Curriculum Standards.

The Board of Education is committed to promoting this School Nutrition Policy with all food service personnel, teachers, nurses, and other school administrative staff so they have the skills needed to implement this Policy and promote healthy eating practices. The Board will work toward expanding awareness about this Policy among pupils, parents, teachers, and the community at large.

## **LUNCH PROGRAM**

LUNCH is closed for Grades Pre-K through 3. This means that students may not leave the school campus during the lunch period without being accompanied by a parent for any reasons. Those students who wish to go home for lunch may do so if their parents enter the building and sign them in & out for lunch on a daily basis. The parent will also have to provide a written note to the homeroom teacher alerting the school that they will be signing their child in and out for lunch. When a student returns to school and is signed in, he/she will join their homeroom.

McKenzie School has two lunch periods. The first lunch will be from 11:09-11:55, and the second lunch will be 11:56-12:42. All homeroom teachers will provide the communication to parents as to what time their child will have lunch.

Lunch may be brought to school from home. It is recommended that:

- You consider good nutritional guidelines when selecting food items to include in your child's lunch.
- Your child brings his/her own lunch in the morning, rather than delivering it later in the school day.
- Your child may not bring any glass containers or candy of any kind to school.

McKenzie School provides the State of New Jersey's Free and Reduced Price Lunches/Breakfast for all students who qualify and elect to apply for this program. An application will be included in our Genesis Parent Portal for every parent to acknowledge the program in order to apply for each student. This form must be appropriately completed within the Genesis Parent Portal by each parent.

#### Expected Lunch Procedures:

1. Follow directions of lunchtime supervisors.
2. Ask permission to leave the seat by raising your hand.
3. Keep hands, feet and objects to oneself. Be kind to others.
4. Be quiet when instructed by lunchtime supervisors.
5. Speak in an appropriate voice level at lunchtime.
6. Throw away trash and dispose of recycling.
7. Stay in the assigned areas; play safely and take care of equipment
8. Line up when told by the lunchtime supervisors.

#### Consequences:

Students may be assigned seats by Lunchroom supervisors in order to facilitate the program and for student disciplinary reasons. Students not following expected rules & regulations will be subject to disciplinary actions as outlined in *Board Policy 5600*.

#### *Lunch Procedures*

Maschio's Food Services will be providing a full service lunch program this school year at East Rutherford Public Schools. Nutritious meal options will be offered. ### ***BIRTHDAYS IN SCHOOL***

Students are welcome to share their birthdays with the class by providing a small individual snack that meets district guidelines as described below. Birthday celebrations should be arranged one week in advance with the classroom teacher and at least one week in advance to collaborate with the School Nurse for health and safety reasons.

#### *Guidelines for Holiday, Birthday, and other Classroom/School Celebrations*

In accordance with *Board Regulation 8505*, we believe that children, parents, staff and administration have a right to know the ingredients in the foods children are eating, and that we have an absolute responsibility to do everything we can do to ensure the health and safety of our students. When a classroom experience is planned, that will include food and/or beverages, the following general procedures will be followed:

- Please read and review [McKenzie School and Classroom Food Allergy Letter](#)
- **Parent(s) or staff members who wish to supply food/beverages for any event or occasion must contact the classroom teacher to determine if any child in the classroom is allergic to any particular food item.**
- Parent(s) or staff members must bring to school only food/snack items or beverages that have been prepared or manufactured by a commercial establishment and packaged or boxed in a sealed container provided by the same commercial establishment where the items were purchased.
- **No home-baked or homemade items will be permitted.**
- **No chocolate or any form of candy is allowed in the school**
- **The teacher will ensure that food items provided are accompanied by a listing of ingredients and that the items meet the federal and state nutritional guidelines regarding fat and sugar content.**

### ***PARTY INVITATIONS/CLASS LISTS***

In order to promote our student's self-esteem, children are not permitted to pass out party invitations to their classmates in or on school grounds unless their entire class is invited to the party. Staff is not allowed to send home a list of students' names for any reason because of confidentiality reasons.

### ***GUM***

Gum is not permitted in the building or on the school grounds at any time. Violation of this rule will result in disciplinary action.

## ***DRESS CODE AND GROOMING***

All Grades

The Dress Code discourages unsuitable clothing in the school and all clothing that is dirty and unsightly. It stresses that there is a difference between school clothes and play clothes, and the latter has no place in school. The Dress Code encourages clothing that is neat and clean, that will make students aware of their social responsibility, that will promote high standards of personal conduct and that will not only bring credit to our school and community, but also, instill a sense of pride. The Dress Code has been updated with regard to ensuring that all students are wearing safe footwear on campus. Please note that Crocs and similar footwear with adjustable heel straps are NOT PERMITTED and parents will be responsible for dropping off a change of footwear if their child violates the dress code. Parents will be called to bring an appropriate change of clothes when necessary and as determined by the Principal.

The following dress code has been developed in accordance with Policy No. 5511 and in consultation with staff members, parent(s), and pupils of this district.

### **A. General Rules**

Students are encouraged to take proper care of school property. All books should be handled with care. Book covers are required to help protect the books for other students who will use them in the future. Books may be inspected periodically as well as when they are returned at the end of the year. If books are damaged, the parent is expected to pay for the damage. Lost books must be paid for immediately. It is the responsibility of the parent to see that their child takes proper care of all school property issued to them. If they lose, have stolen or destroyed school or personal property, it will be the parent's responsibility to replace or pay for it. District Technology Fee - As part of our ongoing efforts to provide access to appropriate instructional technologies to all of our students, the District has imposed a mandatory \$30 technology fee to help subsidize the ever-rising costs associated with technology. This includes coverage for accidental damage over the life of student Chromebooks. Please review the [Chromebook Damage and Technology Fee](#) notice that further details the changes to our procedures.

Any student who willfully cuts, defaces or otherwise injures any property belonging to the school district is liable for said and will be subject to disciplinary consequences.

### ***PERSONAL PROPERTY***

Students are not permitted to use personal and recreational electronic devices at any time during the school day (Board Regulation 5516). Violation of this Policy will result in confiscation of item(s). It is the student's responsibility to protect his/her books, notes, and personal property. In order to ensure their protection, they should be left in the classroom. **EXPENSIVE ITEMS, LARGE SUMS OF MONEY AND ITEMS OF HIGH PERSONAL VALUE SHOULD NOT BE BROUGHT TO SCHOOL.** In addition, no toys are to be brought to school. The school cannot be responsible for lost or stolen articles.

## **CELLULAR PHONES, WATCHES, & ACCESSORIES ([Ref. Policy 5516](#))**

A student is not permitted to have turned on or use an electronic communication and recording device (ECRD) on school grounds during the school day or when the student is participating in a curricular or school-sponsored co-curricular activity. This includes, but is not limited to, cellular phones, wearable technologies (smartwatches, etc.), AirPods or wireless headsets, personal iPads/devices (unless otherwise approved or instructional use), etc. Please note that students will not be allowed to use their cell phones under any circumstances for educational or recreational purposes, including listening to music. The only exception to this policy is for students with a documented medical need to maintain active communications through the use of an ECRD. Any requests for this must be submitted to the Building Principal and School Nurse for review. Students shall store their ECRD devices in their locker for the duration of the school day. Any staff member seeing an ECRD shall confiscate it immediately and turn it into the Main Office. For a first offense, parents/guardians will be notified and the phone returned to the student at the end of the day. For second and subsequent offenses, parents/guardians will be notified, the device held in the Main Office until a parent/guardian can retrieve the ECRD, and detention(s) will be assigned. Repeated incidents may also require students to leave their device secured in the Main Office upon arrival to school each day, with the expectation that the device can be picked up by the student upon dismissal each day. Each student has their own school-issued Chromebook and can use their personal, wired headphones for educational purposes only. They are not permitted to walk around with earbuds or headphones throughout the school day, or to use their Smartwatches or other wearable technologies. If a parent/guardian must communicate with their child during the school day, these communications must go through the Main Office. A secretary or office staff member will coordinate any message needing to get to that student.

## **LOST AND FOUND**

Any items which are found on school property will be placed in the Lost and Found, located outside on the 1st floor. Students are encouraged to check this location for missing items. Parents are welcome to check for items after signing-in and obtaining a visitor's pass from the office. It is of great help if clothing and other belongings are labeled with the child's name.

## **FIRE DRILLS**

FIRE DRILLS ARE SERIOUS BUSINESS. Exit directions are posted in all classrooms. Students are taught how to leave the building quickly and in an orderly fashion. There is at least one fire drill for each month while students are occupying the building each school year.

## **EMERGENCY DRILLS**

We will be conducting emergency drills within McKenzie School in coordination with the East Rutherford Police Department, with all staff and students during the school year. This procedure is being conducted to test the ability of the school's environment in case of any emergency situation. There will be a standard communication to parents after an emergency drill has taken place.
