Dear Parents/Guardians:

Welcome to a new school year and the exciting opportunity that each year provides for our students. It is with great pleasure that I am able to serve as the Principal of A.S. Faust Middle School.

This handbook has been prepared as a guide for you to become acquainted with the policies and procedures that will be followed during the 2022-2023 school year. **It is important that you read this handbook thoroughly.**

Besides teaching our students essential instructional skills, we strive to instill in them a lifelong love of learning and inquiry, positive self-esteem, and responsible citizenship. At Faust School, we never lose focus of our primary goal: educating our children in a safe, nurturing, and respectful environment. Our teachers and staff members are devoted to student achievement and are persistent in working to ensure that our school stands ready to meet the needs and challenges of every student.

As with any guide, this handbook serves as a framework. A complete copy of the East Rutherford By-Laws, Policies, and Regulations is available in each school building and on our website at <https://www.erboe.net>. and/or [East Rutherford Board of Education Policies & Regulations](#).

Throughout any given school year, this handbook may be adjusted and updated to reflect policy changes as the need arises. If you have any questions about the school's programs, activities, rules, or procedures, please don't hesitate to contact me.

I look forward to a successful and enjoyable school year and our partnership in supporting your child's education.

Sincerely,

Regina Barrale

DELAYED OPENINGS

At times, the inclement weather is not severe enough to close school for the entire day. However, safety dictates extra caution in the process of getting to school. In the event of a delayed opening, you will be notified through the Emergency Computer Telephone Alert System.

The school day will be as follows on days of delayed opening:

Faust School 10:30 AM – 2:40 PM

When approaching the main entrance, you will enter the security vestibule and present your identification for verification in order to receive a visitor's badge. Visitors must check in with the Main Office prior to heading to their destination.

STUDENT ATTENDANCE

All students are expected to maintain regular school attendance. There is a proven relationship between good attendance and excellent achievement. The following rules are intended to improve accountability. We rely on parent support to reinforce consistent student attendance. ([Ref. Policy 5200](#))

Absences

- The parent is to contact the school daily at 201-804-3100 to report a student's absence. If a parent does not contact the school, the school will attempt to contact the parent by the conclusion of the day.
- Parents may call the office at 201-804-3100 no later than 9:00 a.m. to request the homework that their child will miss during their absence. – All assignments will be posted on Google Classroom by the teacher before the end of the school day. All completed assignments will be due within 3 days after the absence. Special circumstances may be given at the discretion of the Principal or Designated Administrator.
- The student is to present a written explanation for absence signed by the parent to the homeroom teacher or secretary in the main office.
- If a student has five consecutive absences, the attendance officer will be notified.
- If a student is on a family trip, the parent must provide written notification to the appropriate administrator at least one week prior to the absence and contact his/her teachers to obtain assignments. The administrator or designee will inform all appropriate staff of the student's name and the duration of the absence.

LATENESS/EARLY DISMISSAL/TARDINESS (REF. POLICY [5230](#), [5240](#))

Students are expected to arrive at school and all classes on time. If a student is late to school, they must enter the building and report to the office. The office **MUST** receive either a note, email, or a phone call from the tardy student's parent/guardian by 10:00 a.m. explaining the reason for the student's lateness. All other incidents of tardiness will be considered unexcused. Students will be held accountable and may serve lunch and/or after-school detention(s) at the discretion of the Principal or Designated Administrator. **Every 4 days tardy= 1 unexcused absence**

Parents requesting their child be excused from school before the school day ends must send written verification in advance stating the reason, time, and who will pick up the student. Under no circumstances will any student be permitted to leave the school unless accompanied by an adult

with proper identification. Students will only be released with written notification by a parent and approval of the school Principal or Designated Administrator.

BUS TRANSPORTATION

The 2022-2023 school year will begin on Monday, September 12, 2022, at 7:54 AM. Indicated below is the bus schedule for transported students. Students should utilize the most direct and safest route to and from their bus stops. Students that qualify for busing must fill out the Genesis Parent Portal form - School Bus Request Form - before services can begin. Please review the [School Bus Safety pamphlet](#) for important information pertaining to the safe transportation of all students. If you are unsure if your child is eligible for courtesy busing, please call the Faust School Main Office at (201)-804-3100.

The Bus Stops are as follows:

- STOP # 4 – Central Ave and Oak Street
- STOP # 5 – Herrick and Hillside Terrace
- STOP # 6 – McKenzie School (Front of building Carlton Ave)
- STOP # 7 – Locust Lane and Carlton Ave
- STOP # 8 – Monarch-Schindler Court

All stops are clearly marked with signs. Students **MUST** wait for the bus at the stop nearest their residence. Children's arrival at their bus stops should NOT be more than five (5) minutes prior to the time indicated below. It is imperative that all students be punctual, stay on the sidewalk until the bus comes to a complete stop, behave properly, and always follow the directions of the crossing guard. There will be two (2) pick-ups in the AM.

Students MUST take the bus that is scheduled for them, according to their assigned information on the Genesis Parent Portal listed below:

- 1st Bus 7:20 AM
- 2nd Bus 7:40 AM
- The Monarch pickup for Faust School Students will be 7:30 AM. Students must be waiting outside in front of the lobby.

*** Reminder: Bus pick-ups and drop-offs are approximate times, depending on traffic and weather.**

At the end of the school day, the buses will make two trips to transport students back to the bus stops. The first bus will leave the school at approximately 2:40 p.m. The second will leave at

approximately 2:55 p.m. The bus to the Monarch (Stop #8) departs when all students are accounted for and on the bus unless staying after school with a teacher. Beginning Monday, September 26th, a third bus will be provided and will leave at approximately 3:40 p.m., Monday through Thursday, and make all five stops. Students must have an appointment with a teacher, and the parent is notified that they are taking the 3:40 PM bus. Students that take the 2:55 PM or 3:40 PM bus must remain at their assigned location inside the Faust School building. No students are permitted to leave the school in between bus runs to go to the park, Cake & Cone, a friend's house, or to buy food, etc. All students must be accounted for and remain in the building.

Please note: There is no 3:40 PM bus on half days, delayed openings, or when there are faculty meetings. Students should check with their teachers ahead of time to ensure they are available after school.

Students are not to ask the bus driver to make unscheduled stops. All bus students must take the bus unless a note from a parent states otherwise. ONLY BUS STUDENTS ARE PERMITTED TO RIDE ON THE BUS. Students are not permitted to use the bus as a means of transportation to a classmate's house after school. During single-session days, students needing transportation after school for child care reasons must present a parent note or fill out a bus release form found on our website at www.erboe.net. Only the Principal may give permission of extenuating circumstances in order for a student to ride on a specific school bus.

*** Riding the school bus is a privilege, not a right. Proper behavior and actions will guarantee this privilege. While riding the school buses, students are governed by the New Jersey State Law, which in part states: "A student may be excluded from bus transportation for disciplinary reasons by the principal and his/her parents shall provide transportation to and from school during the period of such exclusion".**

SCHOOL BUS SAFETY RULES

The following rules have been implemented and must be observed by all students being transported to ensure the safety of both our students and staff. At Faust School, our staff is concerned about the safe passage of your child and will continue to do whatever is necessary to provide a safe trip to and from school.

- Wait orderly and calmly for the bus to arrive.
- Make certain the bus has stopped before approaching it.
- No pushing or shoving to enter or exit the bus; one at a time getting into and off the bus.

- **Everyone is to be seated and "buckled in" (it's the law) - once they get on the bus. No saving seats.**
- Move to the first available seat closest to the window.
- There will be absolutely no standing on the bus or sitting on the backrest of the seats.
- There is to be no yelling in the bus or out of the window.
- No part of the body is to be out of the window.
- Windows are to be opened ½ way ONLY, for students' protection.
- No one is to be out of their seat for any reason once the bus is moving.
- Everyone is to make certain that the bus has come to a complete stop before unbuckling to exit.
- Everyone is to be respectful to the bus driver and bus aide and must follow his/her directions.
- All students **must** take the bus, **unless a note from a parent states otherwise**. If a note is not received, your child will be sent home on the school bus
- All students are expected to behave responsibly or will be excluded from riding the bus for misbehavior.
- Only bus students are permitted to ride the school bus. **Students are not permitted to use the bus as a means of transportation to a classmate's house after school.**

Students that violate these rules may be subject to the following:

- The bus driver is to report any offense to the principal's office immediately.
- Parents will be called, and the offense will be reported to them; however, if parents cannot be reached by telephone, an email or letter will be sent to them.
- Students may be excluded from riding the school bus for misbehavior, and parents must assume the responsibility of transporting them to and from school.
- Parents will be responsible for any damages done by their child
- To verify that the safety rules have been read, both student and parent will be requested to sign a form outlining the above safety procedures.

EMERGENCY DRILLS

State law requires that there be one fire drill and one emergency drill per month. Exit directions are posted in all classrooms. For extra safety precautions, the principal will also call for a code blue drill or stay put situation drill for unexpected medical emergencies.

LOCKS AND LOCKERS

Students in grades 6, 7, & 8 have a locker in which to keep personal belongings while they are in school. All lockers have built in locks where students will receive a combination number issued by the school. At no time should the locker be unlocked or shared with another student. Students need to report any locker or lock not operating properly to the homeroom teacher immediately. Students are not permitted to decorate their classmate's lockers at any time. Lockers will be inspected throughout the year. Please do not bring anything to school but your required materials. Normally, a student's privacy will be respected, but in an emergency situation, it may become necessary for the school to gain access to a locker. **Per [Policy 5770](#): "In no storage place provided by the Board shall pupils have such an expectation of privacy as to prevent examination by a school official."**

LOST AND FOUND

Many valuable articles of clothing, sneakers, books, etc., are turned into the school lobby. If the student's full name is on them, they can be returned quickly without inconvenience. The Lost and Found will be located in a designated area (s). Students are encouraged to check these area(s) often for lost items. Cell phones, jewelry, watches, eyeglasses, and valuable items are kept in the main office. Any items not claimed will be donated to local charities throughout the school year.

HONOR ROLL STANDARDS ([Ref. Policy 5440](#))

The Honor Roll is an academic recognition for achievement of the highest caliber. It is hoped that the students strive for excellence in all areas. Grades 6 through 8 will be listed on the Honor Roll.

The Honor Roll consists of two sections:

Principal's Honor Roll: Grades of A- (90 or above) in all subjects.

Commendable Honor Roll: Grades of B (83 or above) in all subjects.

A grade lower than a B (83) will disqualify a student from being on the Honor Roll.

GRADING SCALE

Grade	Percent Scale
A+	97-100
A	93-96
A-	90-92
B+	87-89
B	83-86
B-	80-82
C+	77-79
C	73-76
C-	70-72
D	66-69
F	0-65

INTERIM PROGRESS AND REPORT CARD ([Ref. Policy 5420](#))

Report cards are issued at the end of each of the four (45 day) marking periods. All report Cards and Interim reports are available online in the Genesis Gradebook. Parents will be notified when Report Cards are available to view on - November 21; February 7; April 14; and June 23. Interim Progress Reports are to be released on October 21; December 23; March 10; and May 22.

To view your child's grades and attendance in real time during the course of the school year, please login to the [Genesis Parent Portal](#) and check back frequently for updates.

PROMOTION AND RETENTION ([Ref. Policy 5410](#))

Promotion from Grades Six, Seven, and Eight shall be based upon the recommendation of the teacher and the approval of the Principal under the following conditions:

- ✓ The final average of the subjects combined shall be a passing grade 66; subject to administrative review.
- ✓ In grades six, seven, and eight, the general average of the five major subjects: Mathematics, Science, Social Studies, English, and Reading (if applicable) shall be a passing grade of 66.
- ✓ A failing grade below 65, in two or more major subjects, will result in retention and/or summer school. Any student who is retained may attend an approved summer school program to make up for the failing grades at parental expense.

Promotion policies and procedures will be provided to parents as appropriate. Parents and students shall be regularly informed during the school year of the student's progress toward meeting promotion standards. A teacher who determines that a student's progress may not be sufficient to meet promotion standards shall notify the parents and the student and offer immediate consultation to the student's parents. Every effort shall be made to remediate a student's deficiencies before retention is recommended. Any student considered to be at-risk of retention shall be referred to the Intervention and Referral Services Team. The parents and, where appropriate, the student shall be notified of the possibility of the student's retention at grade level in advance and, whenever there is a concern, and no later than six (6) weeks prior to the end of the school year.

School attendance shall be a factor in the determination of a student's promotion or retention. A pupil with fewer than 150 days of attendance in grades Pre K-8 may not be promoted to the next grade level. Extenuating circumstances as determined by the Building Principal can waive the 150-day attendance requirements for grades PreK-8.

Classroom teachers shall recommend, to the Building Principal, the promotion or retention of each student. Parents may appeal a promotion or retention decision to the Principal, whose decision shall be final.

HOMEWORK

In order for a student to be able to focus on their academics, they must have a home environment that is conducive to good study habits. The parent needs to provide support and regularly monitor the child's homework activity through a daily review of the homework planner notebook and Genesis Parent Portal. If assignments need clarification, please contact the teacher. Homework is designed to reinforce the skills and concepts taught during the day and serves as a foundation for the next day's lesson. School policy mandates that there be a specific amount of homework each day for each grade level, as follows: Homework should not exceed 1 to 1 ½ hours a day. Homework is to be practical, and beneficial to strengthen students' skills. Some assignments are short-term, while others are of a long-term nature.

SUMMER MATH AND READING PROGRAMS

Students entering grades 6 through 8 may be required to complete a summer reading and math assignment, which is counted as a grade for the first marking period. Both assignments are to be handed in and finished at the beginning of the school year in September.

N.J. DEPARTMENT OF EDUCATION STATE ASSESSMENT

Students in grades 6 through 8 will take the N.J. Department of Education State Assessment. This assessment is taken by the students on a school-issued computer.

The assessments are aligned to the New Jersey Student Learning Standards (NJSLS) and were created to measure students' ability to apply their knowledge of concepts rather than memorizing facts. The NJSLS is a benchmarked set of standards for English Language Arts Literacy, Mathematics, and Science that focus on college and career readiness.

In English Language Arts (ELA), students will be required to closely read multiple passages and to write essay responses in literary analysis, research tasks, and narrative tasks. The assessments will also provide teachers information on student progress to inform instruction and provide targeted student support.

Students in 8th Grade at the middle school level will also be required to take a state-mandated assessment in Science.

- Teaching staff members will report perceived violations of the dress code to the Building Principal or designee, who will interpret and apply the code.
- Students who publicly represent the school or a school organization at an activity away from the school district are required to dress in full accordance with the reasonable expectations of the staff in charge of the activity. Students unwilling to comply with this requirement will disqualify themselves from participation.
- Students will not be permitted to attend a school-related function, such as a field trip or after-school activity, unless they are attired and groomed in accordance with this dress code and the reasonable expectations of the staff member in charge.
- The Principal may waive the dress code for special school activity/spirit days.

***Disciplinary action may be taken if the above rules are not adhered to.**

CHILD STUDY TEAM

The East Rutherford Child Study Team (CST) consists of a Director of Student Services, School Psychologist, Learning Consultant, and School Social Worker. The Speech/Language Specialist, Occupational Therapist, Physical Therapist, School Nurse, and the School Counselor also work in conjunction with the Child Study Team. The team has a number of responsibilities, including consultation, identification, classification, and formulation of recommendations for remediation of learning and behavior problems. Team members also serve as Case Managers for students receiving special education and related services and work closely with both special education and regular education teachers to develop students' Individual Education Programs (I.E.P.). The East Rutherford Child Study Team provides services for students with disabilities beginning at 3 years old.

SCHOOL COUNSELOR

At Faust School, the counseling program is geared towards shaping each student's academic, social-emotional, career, and life skills development, which is in alignment with the National Standards for School Counseling. The School Counselor promotes and enhances the learning process by working closely with students and their parents to achieve students' overall academic and social success by creating a safe and trusting environment. In working with students, the School Counselor seeks to assist each student in making the most of his or her capabilities and in making realistic and constructive decisions. The School Counselor works cooperatively with general academic teachers, special subject teachers, the Child Study Team, the administration, and with parents to better serve the students of Faust School.

INTERVENTION & REFERRAL SERVICES

The Intervention and Referral Services Team reviews the academic, behavior, and health issues of a student and then develops an Action Plan designed to systematically address any identified concerns. The interventions included in a student's Action Plan may include both in-school and out-of-school interventions.

CRISIS INTERVENTION

The Director of Student Services, School Counselor, School Nurse, Social Worker, School Psychologist, and Principal work as a Crisis Management Team to provide students and families with a multilevel assessment of trauma and components of psychological assistance. Although crises faced in schools vary greatly, they may range from those that are more personal, such as the death of a loved one, or to those that affect the broader community, such as school-based violence. Students, staff, and parents should seek assistance from the Crisis Management Team whenever there is an instance of a potential threat of harm to a student or staff member.

INTERVENTION STUDENT & TEACHER MENTOR PROGRAM (INT)

INT is an intervention program developed to improve academic performance and behaviors that impede learning. Faust School teachers are assigned as INT mentors to work with students who appear to be struggling in their classes. The mentors provide strategies for staying organized and focused and encourage students in the program to do their best.

The INT program is designed to not only assist the individual student but also teachers and parents/guardians as well. Teachers work closely with their students, who are monitored closely through weekly progress reports and regular communication. This program also allows the mentor to help students cope with minor issues they may be experiencing with other students or teachers. The benefits gained from this program can be valuable to students, teachers, and parents/guardians. Students are provided with support and reinforcement of their class requirements while their

mentor keeps an open line of communication with their teachers, parents, or guardian. The goal of the INT program is to help keep the student on a path to success and excel in school.

HEALTH EDUCATION & FAMILY LIFE CURRICULUM (Ref. Policy 5250)

The Faust School Health Education and Family Life curriculum are designed to help students develop knowledge, attitudes, and skills needed to maintain a healthy lifestyle. Our primary focus is for our students to think critically, solve complex problems, and communicate effectively. Students also learn how to improve their health, say “No” to drugs, prevent disease and avoid or modify health risk behaviors through the guidance of the [NJSLS for Comprehensive Health and Physical Education](#).

Parents may call the school to make an appointment to view the curriculum guide in its entirety. Should you have an objection to any part(s) of the curriculum, you have the right to request in writing that your child be excluded from the portion. Should you elect not to formalize a request for exclusion, your assent to the entire program will be assumed.

PHYSICAL EDUCATION

Footwear - A sneaker with an arch support that can be laced or velcro strapped is required to participate in physical education class. Sneakers with an open back or weak support are not permitted. Students must also wear socks.

Dress Attire -Locker rooms are available for students to change their clothes for physical education. Students are not required to change, but have the option to do so.

Medical Excuses - If your child is unable to participate in physical education class due to injury, illness, or any other medical reason, it is important that you send a parental note to school to give to your child’s physical education teacher and/or school nurse. The physical education teacher can only accept a parental note for a total of 5 days. Once 5 days have passed, a written physician statement is required and must be given to the school nurse.

SPORTSMANSHIP (Ref. Policy 5570)

A.S. Faust School requires that all individuals involved in or attending school-related sports activities exhibit good sportsmanship when representing the school at any athletic event.

At A.S. Faust School, good sportsmanship is defined as abiding by the rules of the contest or accepted by the participating teams and the gracious acceptance of victory or defeat. Our students, faculty, staff, and fans have an understanding that good sportsmanship is always demonstrated in the following ways:

- Sportsmanship is a sign of generosity and genuine concern for others. It is a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity.
- Sportsmanship is a blending of cheers for “your team” and applause for the “opponents,” observing the letter and spirit of the rules, and showing consideration for others.
- Sportsmanship is the “golden rule” of athletics, “treating others as you wish to be treated.”
- Sportsmanship is respect for others and one’s self.

SPORTS PARTICIPATION, ELIGIBILITY REQUIREMENTS

In order to be eligible to participate in any athletic activity, the athlete:

- Must meet all eligibility requirements prior to the first tryout/practice date.
- Must complete the A.S. Faust Middle School Athletic Participation Form and turn it in by the deadline provided by the coaches.
- Must have up-to-date physicals/physical forms filled out and signed.
- Must maintain passing grades (70% or better) throughout the Marking Period: if grades fall below a 70% at any time during the marking period and season, students may not be permitted to participate until the grade is brought up (Principal discretion for any grade below 70%). Students will be given a probationary period in the first 2 weeks of a new marking period to maintain a passing grade.
- Must not have more than 7 total absences (85% attendance requirement) in the marking period prior to athletic participation.
- If a student is late for school on the day of an athletic game/practice, the student must have a written note from their parent. Permission to participate is at the Principal’s discretion.
- Must receive a medical release form from a licensed physician before practicing or playing if you miss five (5) or more days of practice due to illness or injury.
- Will NOT practice OR play if ineligible. (i.e.: If you did not participate in Physical Education class that day) the student **may** ATTEND practice or game, but not participate, **at the discretion of the Principal.**
- Must be present at least 50% of the school day on the day of an athletic contest in order to participate in the event. Exceptions need Principal approval.
- Will not participate (practice or play) in any athletic event if assigned to In-school Tutoring Intervention or Out of School Suspension during that assigned time.
- Must adhere to all school rules and behavioral expectations (see Faust School Student Handbook). If rules are broken, players are subject to suspension from practice and/or game.
- Away games-players must continue to follow the rules, show respect, and have good sportsmanship.
- All Sports participants are subject to suspension from games/practices, which the Principal will determine.
- Must give your best effort and cooperate in all classes.

HEALTH OFFICES (Ref. Policy 5310)

HEALTH RECORDS/SCREENINGS/IMMUNIZATIONS

Since the promotion and maintenance of the health of our students is one of our primary concerns and one that can greatly affect their academic work, the school nurse would appreciate any new medical information in order that we may keep this information current on the students' school records. The school nurse will notify you if any possible abnormalities are detected during our vision, scoliosis, and hearing screenings.

The following screenings are conducted by the School Nurse according to the guidelines set forth by the NJ State Health Department:

Vision
Hearing
Blood Pressure
Height & Weight
Scoliosis

*Any abnormalities found will be referred for medical evaluation.

PHYSICAL EXAMINATION

In accordance with the medical program set by the Board of Education as per the New Jersey State Health Department, a physical examination is required upon entry of the school and for all newly classified students and students participating in school-related sports programs. Thereafter, a physical is recommended at each developmental level (approximately grades 4 & 7). Forms are available from the School Nurse. Referrals will be provided if your child does not have a medical home.

SUMMARY OF VACCINE REQUIREMENTS

In accordance with the medical program set by the Board of Education as per the New Jersey State Health Department, District policy and regulation are in place regarding the Immunization of students. Please review the following:

- [District Policy 5320 - IMMUNIZATION](#)
- [District Regulation 5320 - IMMUNIZATION](#)

HEAD LICE-PEDICULOSIS ([Ref. Policy 8454](#))

Head lice are highly communicable and difficult to prevent, but if every parent takes the responsibility to check the entire family's hair and scalp often, these parasites can be controlled. Persistent head-scratching and white specks on the hair shaft, that will not move, are the sign of infestation. For more information on head lice, please refer to the School Nurse's website. Notify

the school nurse for treatment information and to have all the school contacts examined. The most important fact about pediculosis is that the problem should be quickly treated.

ADMINISTRATION OF MEDICATION ([Ref. Policy 5330](#))

As per [Board Regulation 5330](#), parents are encouraged to administer medications to children at home whenever possible. When necessary, and in accordance with applicable law, medication will be administered to students in school by the School Nurse. Special medication forms are available from the School Nurse and must be completed and signed by the child's private medical doctor and the parents for all medications, including Prescription, Non-Prescription (including throat

lozenges) and Asthma medication. All medication must be in the original container. Details are available from the School Nurse.

ILLNESS

In the best interest of all children, and in order to prevent the spread of communicable illness, your child should not come to school if he/she feels ill with any of the following symptoms:

- Temperature over 100 degrees
- Vomiting and/or diarrhea
- Chronic coughing
- Skin eruptions(rash)
- Inflamed and/or discharge from the eyes
- Earache
- Head Lice and/or Nits

MANAGEMENT OF LIFE-THREATENING ALLERGIES IN SCHOOL

([Ref. Policy 5331](#))

A.S. Faust School's policy recognizes students may have allergies to certain foods and other substances and may be at risk for anaphylaxis. An Individualized Healthcare Plan (IHP) and an Individualized Emergency Healthcare Plan (IEHP) will be developed for each student at risk for a life-threatening allergic reaction.

There will be occasions where food and/or beverages will be served as part of a classroom experience, field trip, and/or celebration. A.S. Faust School does not want to limit these experiences but feels that it is necessary to put into place some precautionary measures to address the students' health needs. When a classroom experience is planned that will include food and/or beverages supplied by staff or a parent, the following general procedures will be followed:

- The teacher will provide advance notice to families of any event or occasion where food or beverages are to be served. This will give parents the opportunity to communicate with the teacher regarding any health concerns. It will also allow for planned alternatives.

- Parents or staff members who wish to supply food/beverages for any event or occasion must contact the classroom teacher to determine if any child in the classroom is allergic to any particular food item.
- The teacher will make every effort to ensure that any child with an allergy is provided with an alternative and is protected from any exposure (airborne exposure included).
- Parents or staff members must bring to school only food/snack items or beverages that have been prepared or manufactured by a commercial establishment and packaged or boxed in a sealed container provided by the same commercial establishment where the items were purchased. **No home-baked or homemade items will be permitted.**
- The teacher will ensure that food items provided are accompanied by a listing of ingredients in the foods the children are eating and that the items meet the federal and state nutritional guidelines regarding fat and sugar content.

It is the position of Faust School that children, parents, staff, and administration have a right to know the ingredients in the foods children are eating and that we have an absolute responsibility to do everything we can do to ensure the health and safety of our students.

HOME INSTRUCTION

Any child who is unable to attend school due to extended illness may have home instruction. Upon receipt of a signed slip from a doctor, a parent must receive approval from the Superintendent and the East Rutherford Board of Education. If this service is required, please contact the school.

INSURANCE

Accidents are unfortunate occurrences, but they do happen. Any kind of medical care today is costly; therefore, it is a good idea to have insurance in case of an accident. If assistance is needed to apply for medical insurance, the School Nurse is certified by the State of New Jersey in doing so. It is the policy of the East Rutherford Board of Education to provide insurance for all students in grades Pre-K through 8 while school is in session.

SCHOOL NUTRITION POLICY(Ref. Policy 8505)

Faust School recognizes child, and adolescent obesity has reached epidemic levels in the United States and that poor diet, combined with the lack of physical activity, negatively impacts the students' health and their ability and motivation to learn. Faust School is committed to providing students with healthy and nutritious foods; encouraging the consumption of fresh fruits and vegetables, low-fat milk, and whole grains; supporting healthy eating through nutrition education; encouraging students to select and consume all components of the school meal, and providing students with the opportunity to engage in daily physical activity.

LUNCH PROGRAM

There will be a **CLOSED LUNCH** for Grades 6 through 8. This means that students may not leave the school grounds during the lunch period for any reason. However, those students who wish to go home only for lunch may do so if their **parent or designated guardian** enters the building and signs them in & out for lunch on a daily basis. Again, for security & safety purposes, students will not be allowed to leave the building without being accompanied by **their parent or designated guardian**. The parent will also have **to provide a written note** to the homeroom teacher alerting the school that they will be signing their child in and out for lunch.

Faust School Lunch Program is from 11:42-12:24 PM

Everyone is expected to conduct him or herself in an appropriate manner which will bring about a pleasant atmosphere during this time. Students are encouraged to do their part to keep the lunchroom clean: use the receptacles and clean their area. Lunchroom supervisors may assign students seats in order to maintain a safe and comfortable environment. Lunches brought to school from home are placed in the student's locker or backpack. No eating lunch or drinking of any beverages in the Media Center, or near technology devices. Water is permitted in the classroom as long as it is in a water bottle with a secure top that does not leak.

Faust School provides the State of New Jersey's Free and Reduced Price Lunch/Breakfast for all students who qualify and elect to take advantage of this program.

All lunch applications are available through www.erboe.net on the Genesis Parent Portal. All parents/guardians are responsible for logging on and filling out the application - **there will be no paper applications distributed**. Prior to the program beginning, a notice will be sent home explaining the procedure.

**As submitted, the online meal application for East Rutherford #003-01230 is APPROVED for School Year 2022--2023. USDA guidelines require that a hard copy/paper application be available upon request, and that there is a clear directive on where and how the paper application can be obtained for any parent/guardian wishing to use that application format.*

BREAKFAST & LUNCH PROCEDURES

Maschio's Food Service offers breakfast and lunch to all students. Please go to the [Maschio's website](#) for prices and menus.

FREE & REDUCED LUNCH

PLEASE NOTE: It is very important that all families, regardless of status, complete the free and reduced lunch forms within the [Genesis Parent Portal](#). Free and reduced lunch eligibility also affords students additional benefits throughout the school year, and determines other Federal funding the district receives. Additional information regarding the program can be found [HERE](#).

RECESS

Students must abide by the following:

- All procedures and rules are to be followed according to this handbook and school policies and regulations.
- Disciplinary action will be taken to correct those who cannot conduct themselves properly.
- All students should exhibit good sportsmanship, show respect and follow ALL school rules.
- Students should not litter and must dispose of their garbage in the receptacles.

During recess, no student is to leave it for any reason, without first receiving permission from a supervising adult. Once receiving permission, students may go to their requested designation and come back as quickly as possible. Upon their return, they must report to the supervising adult signifying that they are back.

Please refer to the [ERSD Device Damage Agreement](#) for more information regarding the roles of students and their families in regards to district-provided technology.

REMOTE LEARNING ETIQUETTE/ONLINE VIDEO CONFERENCES

During the course of the year, it is plausible that the District may provide remote learning opportunities and online video conferencing in response to varying circumstances. More information regarding expectations for these online resources can be found in the [Remote Learning Etiquette/Online Video Conferences](#) document.

ELECTRONIC SURVEILLANCE IN SCHOOL BUILDINGS/ON SCHOOL GROUNDS

The Board of Education authorizes the use of electronic surveillance monitoring devices in school buildings and on school grounds. Therefore, all school buildings and school grounds within this school district may be monitored using such devices in accordance with Board Policy. ([Ref. Policy 7441](#))

In addition to posting, the district shall notify school staff members, parent(s) or legal guardian(s), and students that electronic surveillance may be used in school buildings and on school grounds through publication in student and staff handbooks, school calendars, notice sent home with students, or any other effective means to publish the district's use of electronic surveillance equipment in school buildings and on school grounds.

CELLULAR PHONES, WATCHES, & ACCESSORIES ([Ref. Policy 5516](#))

A student is not permitted to have turned on or use an electronic communication and recording device (ECRD) on school grounds during the school day or when the student is participating in a curricular or school-sponsored co-curricular activity. This includes, but is not limited to, cellular phones, wearable technologies (smartwatches, etc.), AirPods or wireless headsets, personal iPads/devices (unless otherwise approved or instructional use), etc. Please note that students will **not** be allowed to use their cell phones for educational or recreational purposes, including listening to music. There are no exceptions.

Students shall store their ECRD devices in their lockers for the duration of the school day. Any staff member seeing an ECRD shall confiscate it immediately and turn it into the Main Office. For a **first offense**, parents/guardians will be notified and the phone returned to the student at the end of the day. For **second and subsequent offenses**, parents/guardians will be notified and the device

held in the Main Office. The parent/guardian may also be asked to come to the school to retrieve the ECRD at the discretion of the administrator on duty.

Each student has their own school-issued Chromebook and can use their personal, **wired** headphones for educational purposes only. They are not permitted to walk around with earbuds or headphones throughout the school day, or to use their Smartwatches or other wearable technologies.

If a parent/guardian must communicate with their child during the school day, these communications must go through the Main Office. A secretary or office staff member will coordinate any message needing to get to that student.

EXPECTATIONS FOR STUDENT CONDUCT (Ref. Policy 5500, 5600)

A.S. Faust School believes that students should commit themselves to learning and to the development of their unique potential. Students should know that their attitudes and acts affect both their own and their classmates' learning. They should accept responsibility for helping to create a positive school environment. With the support and assistance of school staff members and parents, all students can contribute to the effectiveness of the school and the value of their education.

A.S. Faust expects all students in this school district, commensurate with their age and ability, to:

- Prepare themselves mentally and physically for the process of learning,
- Respect the person, property, and the intellectual and creative product of others.
- Take responsibility for his/her behavior.
- Use time and other resources responsibly.
- Share responsibilities when working with others.
- Meet the requirements of each course of study.
- Monitor his/her progress toward school objectives.
- Communicate with parents and appropriate school staff members.

DISRUPTIVE STUDENTS (Ref. Policy 5560)

A.S. Faust believes that the students of this district are entitled to an education free from disruption. Students who willfully disrupt the educational program shall be subject to the discipline procedures of this district. Every reasonable effort shall be made to determine and remediate the cause or causes of a chronically disruptive student's unacceptable conduct.

For the purposes of this policy, "disruptive student" means the student who has difficulty establishing good relationships with peers and adult authority figures and who exhibits a pattern of conduct which is in defiance of school rules or regulations and which hinders academic success for other students as well as for him or herself.

Disruptive students may be disciplined in accordance with Policy No. 5600. A disruptive student who does not appear to be disabled may be referred to the Intervention and Referral Services Team in accordance with Policy No. 2417. A disruptive student who may have disabilities shall be referred to the Child Study Team for evaluation in accordance with Policy and Regulations No. 2460 et seq.

EXPECTATIONS FOR STUDENT CONDUCT (Ref. Policy 5500, 5600)

A.S. Faust School adopts this Student Discipline/Code of Conduct Policy to establish standards and procedures for positive student development and behavioral expectations on school grounds, including on a school bus or at school-sponsored functions, and as appropriate, for conduct away from school grounds.

Every student enrolled in this district shall observe promulgated rules and regulations and submit to the discipline imposed for infractions of those rules. Regulation 5600 shall include a description of school responses and consequences to violations of the behavioral expectations established by the Board that, at a minimum, are graded according to the severity of the offenses, considering the developmental ages of the student offenders and students' histories of inappropriate behaviors pursuant to N.J.A.C. 6A:16-7.1 (c) 5.

School authorities also have the right to impose a consequence on a student for conduct away from school grounds, including on a school bus or at a school-sponsored function pursuant to N.J.A.C. 6A:16-7.6.

The school district recognizes that inherent in the implementation of the student disciplinary policy; the school administration may resolve a problem beyond the limitations of the policy. Professional courtesy suggests that clear communication prevails between the parties involved in such matters. Discipline is at the discretion of the Building Principal.

SUSPENSION OF EXTRACURRICULAR ACTIVITIES AND SCHOOL-RELATED EVENTS

A.S. Faust realizes the importance of extracurricular activities, team sports, PTA functions, school-sponsored events, and class trips as an integral part of the total education of youth, but it is only a part of the whole. If a student is not putting forth effort in their academics or acting appropriately, it will be at the Principal's discretion, whether or not a student is able to participate in extracurricular activities and school related events.

SOCIAL EVENTS AND CLASS TRIPS (Ref. Policy 5850)

Social events or class trips are not part of the thorough and efficient system of education provided by the Board. Participation in them is therefore not a right and may be denied to any student without the due process of notice and an opportunity to be heard. A student who demonstrates disregard for school rules may summarily be denied participation in social events and class trips.

Students who participate in approved social events and class trips are subject to district rules for student conduct and must submit to the authority of assigned chaperones. Infractions of the rules will be subject to discipline in the same manner as are infractions of rules during the regular school program.

Class trip procedure shall comply with the procedures for field trips. **Overnight trips will not be approved by the East Rutherford Board of Education.**

HARASSMENT, INTIMIDATION, AND BULLYING (Ref. Policy 5512)

Harassment, intimidation, or bullying (HIB) means any gesture, written, verbal, or physical act, or any electronic communication that takes place on school property, at any school-sponsored function or on a school bus and that:

1. Is motivated by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability; or
2. By any other distinguishing characteristic;
3. A reasonable person should know, under the circumstances, that the act(s) will have the effect of harming a student or damaging the student’s property, or placing a student in reasonable fear of harm to his/her person or damage to his/her property; or
4. Has the effect of insulting or demeaning any student or group of students in such a way as to cause substantial disruption in, or substantial interference with, the orderly operation of the school.

“Electronic communication” means communication transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone, computer, or pager.

Acts of harassment, intimidation, or bullying, may also be a student exercising power and control over another student, either in isolated incidents (e.g., intimidation, harassment) or patterns of harassing or intimidating behavior (e.g. bullying).

The Code of Conduct may be implemented prior to the outcome of an alleged HIB. If the incident(s) after a full investigation confirm a HIB, specific interventions, discipline, and remedial action, may follow and vary based on the age/grade level of the students involved, the severity of the incident, and any previous record of similar incidents. The administration reserves the right to make decisions based on the merits of the case.

SUSPENSION (Ref. Policy 5610)

A.S. Faust School recognizes that even the temporary exclusion of a student from the educational program of this district is a severe sanction and one that cannot be imposed without due process.

Any student who is guilty of continued and willful disobedience, or of open defiance of the authority of any teacher or person having authority over him/her, or of the habitual use of profanity or obscene language, or who shall cut, deface, or otherwise injure any school property, shall be liable to punishment and to suspension or expulsion from school. Conduct which shall constitute good cause for suspension or expulsion of a student guilty of such conduct shall include, but not be limited to, the conduct as defined in N.J.S.A. 18A:37-2 and the school district’s Student Discipline/Code of Conduct Policy and Regulation in accordance with N.J.A.C. 6A:16-7.1. et seq.

“Suspension” means the temporary removal of a student from the regular instructional program. The severity of an incident dictates the type of disciplinary action taken, and in some cases, it may be necessary to suspend a student from school. In all cases of out-of-school suspension, the parents will be notified by phone of the decision, a letter indicating the offense requiring parent’s signature will be mailed home and a conference will be held with the student, parents, and principal before the student may re-enter school. The purpose of the conference with the parents is to keep them informed, to gain home cooperation, and to work with the parents for a solution to the problem.

The following offenses are among those considered for out-of-school suspension:

- Unauthorized drugs, medication, or alcohol in school or on school grounds
- Smoking or possession of cigarettes in school, on school property, school bus, or school bus stops
- Defiance of authority or disrespect towards any member of the East Rutherford School staff
- Fighting in school, on school grounds, on the school bus or at school bus stop
- Cutting class, school, or walking out of the school building without permission
- Possession of fireworks or anything construed as a weapon (zero-tolerance will be exercised)
- Damage to school or personal property. This may require full restitution for damages
- Stealing, cheating on tests, and/or using profanity on school grounds
- Any situation where the administrator feels that it is necessary to remove the student from school

Except when special considerations warrant, every student will be given a written warning in the form of a disciplinary notice that subsequent violation of school regulations may result in his/her exclusion or suspension. Serious violations that create a dangerous or unsafe condition for other students will cause a student to be suspended upon the first offense (zero-tolerance will be exercised). Furthermore, privileges may also be suspended at the discretion of the Principal.

Students on out-of-school suspension will be counted absent (excused) unless the duration of the suspension requires home instruction. Students who are under suspension will be required to make up all assignments missed during the period of their suspension.

IN-SCHOOL SUSPENSION

In order to maintain greater control and provide more guidance for students whose disruptive behavior forces their temporary removal from the regular classroom, in-school suspension will occur. Any student removed from the class for an infraction will be given individualized instruction with a certified teacher separately from their peers. They will also receive counseling from the school counselor to prevent the infraction from re-occurring. Any referral to the office should be from a culmination of disturbing and distracting behavior, which can no longer be resolved in the classroom. In-School Suspension may be assigned in combination with loss of school-related activities and privileges. Only the Principal can assign In-School Suspension and inform staff members of the decision. The Principal may assign a member from the Student Support Services or Faculty to discuss intervention solving techniques. Credit will be given for all assigned work completed and must be turned in on the first day the student returns to the regular class. The student must also make up any assignments, tests, or quizzes given that he or she may miss during regular class time. Documentation will also be noted in Genesis, and the parent or guardian will be notified. Students may not be permitted to participate in any assemblies, school-sponsored events, or after school activities until he or she receives permission from the Principal.

PRINCIPAL'S AFTER SCHOOL DETENTION

Students may be assigned after-school detention as a consequence where the number of days and time frame is determined by an Administrator. Students in Grade 6 through 8 will report to the main office for after-school detention. It will be the parent's responsibility to pick their child up from school. Anyone arriving late for after school detention or does not show up without good reason, will receive additional days at the discretion of the Principal.

LUNCH DETENTION

Students may be assigned detention at lunchtime for an infraction at the discretion of the Principal. Lunch detention will be held in a classroom with a teacher present. Students will eat lunch in this room with a teacher and remain there for the entire period. Students who typically go home for lunch may also be assigned detention at lunchtime. In such cases, the teacher will notify the parent by telephone, and the student will remain in the building for a specified number of days. Documentation will also be noted through a Faust Incident Report, and the parent or guardian will be notified by the teacher if the student receives Lunch Detention from an Administrator. Disruptions in Lunch Detention will result in additional consequences. Any student that was told that he/she has Lunch Detention and fails to show up will automatically receive additional days of Lunch Detention. The student will be notified in homeroom the following day as well as the teacher that assigned it to the student.

LUNCH STUDY

Students who may need extended time or are missing homework or classwork assignments may be asked to report to "Lunch Study" to finish their work. Parents will be notified if their child didn't do his/her homework from the night before. It is also an opportunity for the student to make up academic assignments, tests, quizzes, etc., at the teacher's discretion. Lunch Study is not necessarily a consequence, however, if a student chooses not to show up to Lunch Study after being told by the teacher, he or she will receive an automatic Lunch Detention the following day. The teacher may excuse the student from Lunch Detention at their discretion if the student hands in their work the following day.

The list below contains examples of offenses; however, school officials reserve the right to sanction pupil behaviors in accordance with the provisions of 18A:37-1, 18A37-2, and all district policies and regulations.
