Introduction

The Genesis Parent/Student Portal tool is a safe, secure way to view your child's school record for the current school year. If your school district chooses, you *may* have access to the following information:

- Contact Information (email, phone numbers, emergency contacts) for your children
- Your children's Marking Period, Exam and Final Grades
- Your child or children's Report Cards
- Your child or children's daily attendance record and possibly class attendance records (if your child's school uses class attendance).
- Teacher Gradebook assignments and assignment grades for your child or children.
- Your child or children's course requests or possibly their schedule for the next school year.
- Your child's standardized test scores (e.g. NJ ASK)
- Your child or children's discipline records
- Letters sent to you regarding your child:
 - o General Purpose letters
 - o Attendance Letters
 - o Discipline Letters
 - o Scheduling Letters
 - o Fines/Fees Letters
- Documents that have been uploaded for your students.
- Online questionnaires or forms.

The rest of this manual will guide you through all of the screens which may be available to you and how to use them. Please be aware that you may not see every screen for every one of your students (if you have more than one student in the school district).

The school district chooses which screens can be made available. Screens may not be displayed if they do not apply to your student.

Logging In & Logging Out

Logging In

Logging into Genesis is very simple:

1. Go to the Web Access URL supplied with your district welcome packet.
2. Enter your Email Address in the '**Username**' field
3. Enter your Web Access password in the '**Password**' field.
4. Click the '**Login**' button

Logging In for the First Time

The very first time you login you will be required to change your password.

What if I forget my password?

Right next to the Login button, you can find a "Forgot My Password" link:

If you forget your password, click the **Forgot My Password** link, if it is present. If it is not there, you must contact your school or district office. The information may appear on the screen where you see the fake information on the example screen above:

NEEDS TEL MySchool.MyDistrict.com EMAIL WebAccessHelp@myschool.com HELP DESK 999-999-9999

If that information is not there, you should have received information on where to call with your district packet. You will be given a new randomly generated password. The new password might even be mailed to your email account. The first time you login with your new password, you will be required to change it.

Logging Out

It is important to log out of Genesis Web Access properly: It is important to log out of *all* web applications properly.

To logout, locate the **Log Out** button in the upper right corner of every screen and click it:

The screenshot shows the 'STUDENT DATA' page for Caitlin Daily. At the top right, there is a 'Log Out' button. A callout box with a speech bubble points to this button, containing the text: 'To logout, click the Log Out button in the upper right corner of the screen.'

Below the navigation bar, the page displays the student's name, photo, and a list of courses. The courses table is as follows:

PER	COURSE	SEM	DAYS	ROOM	TEACHER	US	BLOCK	DAY
1	US HISTORY 2	2V	MTWRF	D213	Barry Jack

Below the courses table, there are summary statistics for the current week:

THIS WEEK	M	T	W	R	F
ATTENDANCE	0	0	0	0	0
ASSIGNMENTS	0	0	0	0	0

At the bottom, there is a bus schedule table:

	ROUTE	TIME	BUS #	PICK UP / DROP OFF
AM	A10	06:30AM	B112	Stop at Ford St & Hamilton
PM	A10	03:30PM	gens	

When you click the logout icon you are immediately logged out:

Thank you for using the Genesis Township Schools Parent/Student Access.
You are now logged out.

Why log out? Why not just close or “nuke” the browser?

Closing the browser without logging out leaves your session open on the Genesis servers. This creates a security hole that only you can close: **Be secure, always log out properly.** In this era of Internet access, it is important to always properly close your sessions so that unauthorized persons cannot gain access to your information.

This applies not only to Genesis, but to every Internet/Web application you use.

Switching from English to Spanish

There is a Cambiar el idioma a español button at the lower left corner of every screen. To switch to Spanish, click this button. It then changes the language of the Parent module to Spanish. The button itself changes to Change language to English. Click this to return to English.

The Grading Screen

This screen summarizes your student's Report Card grades for the current year.

The current Marking Period is highlighted in green.

Each box shows the grade and comment codes that your student has received in the corresponding class for the selected Marking Period. If you place your cursor on a comment code (e.g. 03), the corresponding comment will be highlighted (e.g. ¹⁵ Follows Directions Well). In addition, the text of the

In addition, as outlined below, you can access and view your student's most recent report card.

Viewing your Child's Current or Most Recent Report Card

If you are able to view your child's actual report card, a message will appear between your child's name and their list of grades:

If this message appears, click it to view the actual report card displayed in Adobe Reader (Adobe Reader must be installed on your computer). A sample report card is shown below.

If your email address is *not* going to be your login, your school or district will assign you a login.

2. What if I forget my password?

To replace a lost password you must call your school or district. Information as to who to call should be provided to you in your Web Access Welcome Packet.

You cannot be given your existing password: for safety reasons, Genesis never displays a user's password, *even to the system administrators*. If you lose or forget your password, you will be given a new, randomly generated password. You will then be required to change the new password the next time you login to Genesis Web Access.

3. What is the URL for Web Access?

You will be given the URL for Web Access in your Web Access Welcome Packet. If you do not have the Welcome Packet, you must contact your school or district to find out the correct URL.

4. How do I log out of Web Access?

There is a small "Log Off" button at the upper right of every Web Access screen. Click the "Log Off" button.

5. How can I update my student's Attendance information?

You cannot update any information. If you believe any information is wrong, you must contact your child's guidance counselor.

6. Is it ok for me to just close the browser rather than log off? Do I really need to log off?

Closing your browser is not the same as logging off. You *must* log off of Web Access to eliminate the possibility of someone else accidentally getting access to your student's information.

For example, if you are accessing Web Access from a public place, such as a library or other public internet access point, if you just close your browser and walk away, without logging out, there is a chance that someone else will be able to immediately reattach to your Web Access session and view your child's information. Logging off properly terminates the Web Access session.

Always log off of Web Access – Never just close your browser

7. What if I do not have access to all my students?

If you need access to a student that is not yet linked to your Web Access login you must call your school or district office. Each district will have its own procedures and regulations regarding linking a student to your Web Access login.

It may be possible that Web Access is in a 'roll out' phase and is only offered in some of the schools in your district and not in others. Refer to your Web Access Welcome Packet for information on whom or where to call.

8. What if I don't have access to my child's Report Card?

Usually a school only displays the most recent report card that was sent home. If the actual report card is not available online, it may be that none has yet been sent home or that the previous Marking Period's report card has been "turned off" so that the new Marking Period's report card can be prepared.
