CR1. APPROVAL OF REVISED GRADING SYSTEM FOR THE 4TH MARKING PERIOD FOR THE 2019-2020 SCHOL YEAR

WHEREAS, all New Jersey public schools have been ordered close since before the beginning of the 4th marking period in March 2020 due to the global COVID-19 pandemic with no certainty of a return to normal operations by the end of the current 2019-2020 school year; and

WHEREAS, the schools within the East Rutherford School District Board of Education have been providing instructional services in a virtual learning environment appreciating the difficulties of continuity, consistency, and equity of education in such a learning environment as well as personal challenges when students are ordered to stay at home during this crisis; and

WHEREAS, the East Rutherford School District Board of Education adopted and implements Board Policy #2624 on grading which was developed and approved for the in-school educational program offered by the Board of Education and such Grading Policy does not take into consideration all the unprecedented challenges confronting virtual teaching and learning during this current COVID-19 pandemic; and

WHEREAS, such challenges justify modifications to Board Policy #2624 for the 4th marking period of the 2019-2020 school year to include, but not be limited to:

- Faust Intermediate middle school students will be offered a letter grade with an option of incomplete for those students who do not submit any course work for such courses as determined by the Superintendent or designee;
- The McKenzie elementary school students will be offered standard-based indicators in conjunction with a teacher narrative section. The Standards-Based Performance Indicators are as follows: 4 = Exceeds Standard, 3 = Achieves Standard, 2 = Progressing Toward Standard, 1 = Currently Below Grade Level Standard, NG = Narrative in lieu of grade with an option of incomplete for those students who do not submit any course work;
- The above outlined grading system will be for educational activities from March 16, 2020 through the end of the school year;
- A student meeting the grading requirements will be required to participate satisfactorily in educational activities for the remainder of the year;
- A student passing a course with a greater than or equal to 69 grade shall result in the student's final grade for the year being made up of the average of the 1st, 2nd, 3rd marking periods and 4th marking period narratives at the elementary level and the 1st, 2nd, 3rd, and 4th marking periods at the middle school level;
- A student with an incomplete course shall result in the student making up this course work during the summer months via Educere or other online means as is determined by the Superintendent of Schools or Designee.

NOW THEREFORE BE IT RESOLVED, the East Rutherford School District Board of Education adopt this Resolution to be implemented through the 2019-2020 school year.

CR2. APPROVAL OF REVISED SCHOOL CALENDAR FOR THE 2019-2020 SCHOOL YEAR

Motion to approve, upon the recommendation of the Superintendent, the revised school calendar for the 2019-2020 school year.

CR3. RESOLUTION OPPOSING SENATE BILL 2392/ASSEMBLY BILL 3969 LEGISLATION AFFECTING TRANSMISSION OF PROPERTY TAX REVENUE TO SCHOOL DISTRICTS

WHEREAS, Senate Bill 2392 and Assembly Bill 3969, currently pending in the state Legislature, would authorize the Department of Community Affairs to permit municipalities to delay or alter the transmission of property tax revenue to school districts during gubernatorial-declared emergencies; and

WHEREAS, New Jersey's public schools are highly dependent on property tax revenue to support education programs; and

WHEREAS, on average, local property taxes constitute close to 60% of public school revenue, with the percentage even greater in a significant number of districts; and

WHEREAS, delaying or altering the transmission of property tax revenue from municipalities would result in a financial crisis for school districts, seriously disrupting the educational process; and

WHEREAS, although public school buildings are closed during the current health emergency, the education of our students is taking place through remote instruction and, therefore, continued timely transmission of all property tax revenue due to the school district is critical for the educational process to continue without interruption; and

WHEREAS, under our state's current structure, municipalities are designated as the authorities to collect property taxes, but those taxes are levied for specific purposes—e.g., municipal, school, county, fire district—and these obligations must continue to be met; and

WHEREAS, municipal governing bodies are empowered under current law to borrow in order to ensure that full payments to school districts are made;

WHEREAS, the East Rutherford Board of Education recognizes the impact of the current public health emergency on the state and local governments, as well as local school districts, but believes that this legislation would only worsen the situation for our communities; and

WHEREAS, while S-2392/A-3969 would require a municipality to pay a percentage of the revenue due to a school district based on consultation between the state Departments of Community Affairs and Education, the amount of taxes collected at the time and the financial condition of the municipality and school district, it does not address subsequent payment to the school district to make up the full shortfall amount; and

WHEREAS, as currently written, S-2392/A-3969, which is designed to ease a financial burden on municipalities, would place a severe strain on school districts and the students and families that they serve.

NOW, THEREFORE, BE IT RESOLVED that the East Rutherford Board of Education urges the State Legislature and Governor to oppose S-2392/A-3969; and be it further

RESOLVED, that this resolution be delivered to Governor Philip D. Murphy, State Senate President Stephen M. Sweeney, Assembly Speaker Craig Coughlin, and the 36th Legislative District's representatives in the state Senate and General Assembly; and be it further

RESOLVED, that a copy of this resolution be forwarded to the New Jersey School Boards Association.
